7:00-9:00 PM

**ALL PTA PRESIDENTS AND NOMINATING COMMITTEE MEMBERS ARE ENCOURAGED TO ATTEND!**

One vote does make a difference! Have you been *elected* to the nominating committee or would like to know how it's done the right way? A nominating committee is required per your Bylaws. The decisions of this committee will affect the future of your PTA. By attending this workshop, you will receive the training, skills and knowledge you will need to run a successful nominating committee. Learn the correct way to ensure that the process runs smoothly and as trouble-free as possible. After attending this session, you will return to your unit or council informed and ready to carry out the work of the most important committee – the Nominating Committee.

**Note:** Attendees should have a copy of their unit or council bylaws to reference during the workshop.
