

Advocacy Award in Memory of Sheila Cohen Application

In September 2015, Nassau Region PTA marked the passing of a dedicated child advocate leader, former Nassau Region District Director and NYS PTA President, Sheila Cohen. As a model of public service and volunteerism throughout her life, she championed numerous causes on behalf of children and youth – the ban of corporal punishment; advocating for juvenile justice, school bus safety, camp safety, etc. She was an impassioned leader who could mobilize a single member or an entire state, always dedicated to moving PTA forward and committed to ensuring that others would follow. Most importantly Sheila believed in and nurtured the potential in every member to make a difference. As a true model of advocacy and leadership she inspired all to learn more, become more and do more to fulfill PTA’s mission.

In her honor, Nassau Region PTA has created the Sheila Cohen Advocacy Award. The award will recognize an individual PTA member, who through leadership and advocacy has demonstrated exemplary effort to affect PTA policy priorities and has mentored others to find their inner advocate. The individual selected for the award by a unit will receive a pin. A nominee must be a current PTA member whose unit/council is in good standing.

Nominations received by March 31, 2022 will be considered for the Sheila Cohen Advocate of the Year Award to be presented at Spring Conference. Nominees may self-apply for consideration. ***Incomplete applications or applications without \$10 application fee will not be considered.***
